

APPLICATION FOR ASSISTANCE
under the
ST JOSEPH'S COLLEGE
OLD BOYS' UNION
BURSARY SCHEME

STRICTLY CONFIDENTIAL

OBU Bursary

Cosack Bursary

BACKGROUND INFORMATION ON THE OLD BOYS' UNION BURSARY SCHEME OR THE COSACK BEQUEST:

At a meeting on 16 September, 1917 it was resolved that the 'St Joseph's College Old Boys' Bursary Fund' be established for sons of Old Boys. The earliest reference to the granting of a bursary however, was not until 1924 when a bursary for 1925 was announced. In the 1930s the Bursary Fund experienced great difficulty, presumably due to the Great Depression, and on a number of occasions there were insufficient funds to meet the commitments.

The introduction of the Wyndham Scheme in the 1960s could have spelled the end of the Bursary Fund as the whole of the College family focused on the College Building Fund Appeal. Indeed, the finances of the Bursary Fund were having difficulty with the rapid rate of inflation being experienced at the time.

Growth of the capital in the Bursary Fund was, for a long time, far less than might have been expected on the basis of the original aims and aspirations. However, there have been a number of significant periods in the life of the Bursary Fund which have stimulated interest and created opportunities from time to time - the St Joseph's College Centenary in 1981 being one very prominent occasion.

With the strong support the Old Boys' Union receives from its outstanding number of Life Members, the Bursary Fund has grown in recent times to a level where meaningful assistance is now provided.

Today, the Bursary program is designed to help provide an educational opportunity at St Joseph's College that would otherwise not be financially possible or accessible to some sons and relatives of Old Boys. The program is an integral part of maintaining the fabric of the College which has existed for more than 130 years. To be eligible for assistance under this program, there are strict guidelines that must be met to ensure the integrity of the program.

Consequently, consideration of applications will always be based on hardship and individual circumstances.

In 2009, the Late Keith John Cosack of Balgowlah very generously left a bequest to the Trustees of the St Joseph's College Old Boys' Union ("Trustees). Keith was not an Old Boy but his wife Peta Anne Cosack (nee Comins) was the niece of three Old Boys, Thomas Comins (1894), Cyril Comins (1904) and Bill Comins (1915).

In his will, Keith John Cosack nominated that the bequest should be *"used for the purpose of providing bursaries to be named in memory of Keith John Cosack to assist in the education of sons, grandsons, nephews and cousins of Old Boys of the College whose financial circumstances warrant it and that such bursaries not be awarded on a competitive basis"*.
